

A note on COVID-19

[All packages excluding online parties are **outdoors only** until the **17th May 2021** COVID-19 review]

All the characters will be maintaining a social distance at all times and we ask for you and your guests to adhere to this also.

We require you to stick to the 6 people or two-family limit on the outdoor gathering (note. the character doesn't count in the calculation as the service provider)

The 'booking from' dates may be subject to change upon a COVID review, we will be following government guidelines at all times.
